

South Kesteven District Council
Planning and Compulsory Purchase Act 2004
Revised Statement of Community Involvement
Adoption Statement November 2014

Notice is hereby given that the revised Statement of Community Involvement (SCI) was adopted by South Kesteven District Council on 3rd November 2014. It replaces the SCI adopted in 2006.

The SCI sets out South Kesteven District Council's policy for involving different sectors of the community in:

- the plan making process such as Development Plan Documents and Supplementary Planning Documents and
- in the consideration of planning applications within the District.

Modifications made following the responses received to the draft SCI are outlined in a separate schedule of representations.

Copies of the SCI, along with the schedule of representations and this Adoption Statement are available for public inspection on South Kesteven District Council's website:
