

**TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING
(TREE PRESERVATION)(ENGLAND)REGULATIONS 2012**

Tree Preservation Order:

**The SOUTH KESTEVEN DISTRICT COUNCIL (LAND AT THE REAR
OF 67 MAIN ROAD, LONG BENNINGTON) TREE
PRESERVATION ORDER 2020**

On 14 February 2020 we made the above tree preservation order, and sent you a copy.

We have considered whether or not the order should be confirmed (or in other words, made permanent). On the 17 June 2020 the Council decided:

To confirm the order

While the 3 oak trees may be set back from the road frontage, they are visible from the highway and contribute to the overall leafy character of the landscape particularly the first 2 in the row when viewed from Main Road. In that respect they have current and future merit as a public visual amenity. The trees are a useful screen between the neighboring properties and are important in terms of the biodiversity of the area. For more information about our decision, please contact Hannah Nouch on 01476 406080.

If you wish to cut down, top or lop any of the trees described in the first schedule of the order and shown on the map enclosed with the order permission must be obtained from South Kesteven District Council before any work is carried out on the trees. If you require help or information please contact the Council's Development Management Services, South Kesteven District Council, Council Offices, St Peter's Hill, Grantham, NG31 6PZ.

If you disagree with our decision you can challenge it by applying to the High Court under section 284 (validity of development plans and certain orders, decisions and directions) of the Town and Country Planning Act 1990. You can apply to the High Court if you believe:

- (1) the order is not within the powers of the Town and Country Planning Act 1990; or
- (2) the requirements of Town and Country Planning (Tree Preservation) (England) Regulations 2012 have not been met.

You must apply to the High Court within six weeks from the date of our decision.
