

The Stamford Neighbourhood Plan Regulation 16 Publication Stage Consultation

This consultation seeks your views on the published version of the Stamford Neighbourhood Plan and whether it meets the basic conditions¹. All comments will be sent to an independent examiner who will examine the plan. If the examiner determines that the plan meets the basic conditions, then a referendum shall be held on whether to 'make' the Neighbourhood Plan.

I believe the Consultation process is flawed!

According to www.statistica.com (2020) only 90% of Stamford residents have access to the internet.

According to the Office of National Statistics – single households where the resident is over 65 years of age, access to the internet is just 80%.

SKDC stats estimate that 23% of Stamford's population to be over 65years old.

Many elderly can send and receive emails, but the challenge of reading and commenting on separate reply documents to a complicated, dense document is much too demanding a task.

Stamford library has one copy of the Neighborhood Plan for reference only, but visitors to the library are 'served' outside currently under CoVid 19 restrictions.

The Maiden Lane office is up for sale!

This cannot in all truth, be called a consultation of all of Stamford's residents

5) Please set out what changes to the Neighbourhood Plan you consider to be necessary included (continue separate sheet if needed):

I cannot sign as I do not have the facility to do so. Nor can I print out the form as I do not have a printer.
