

## The Stamford Neighbourhood Plan Regulation 16 Publication Stage Consultation

This consultation seeks your views on the published version of the Stamford Neighbourhood Plan and whether it meets the basic conditions<sup>1</sup>. All comments will be sent to an independent examiner who will examine the plan. If the examiner determines that the plan meets the basic conditions, then a referendum shall be held on whether to 'make' the Neighbourhood Plan.

The Neighbourhood Plan can be viewed on our website at;

Thank you for the opportunity to comment on this plan.

Notwithstanding the fact that Lincolnshire County Council is responsible for Highway matters the Parish Council is concerned that there is no reference in the Plan for the necessary road connections between the Stamford North Development and the main highway, the A1.

A considerable number of the Residents from Stamford North will work outside Stamford in Peterborough/Cambridge/Leicester/Grantham/Nottingham. They will need to access the A1 to reach those destinations and at present there is no mention of a route from the important East-West road through Stamford North to the A1.

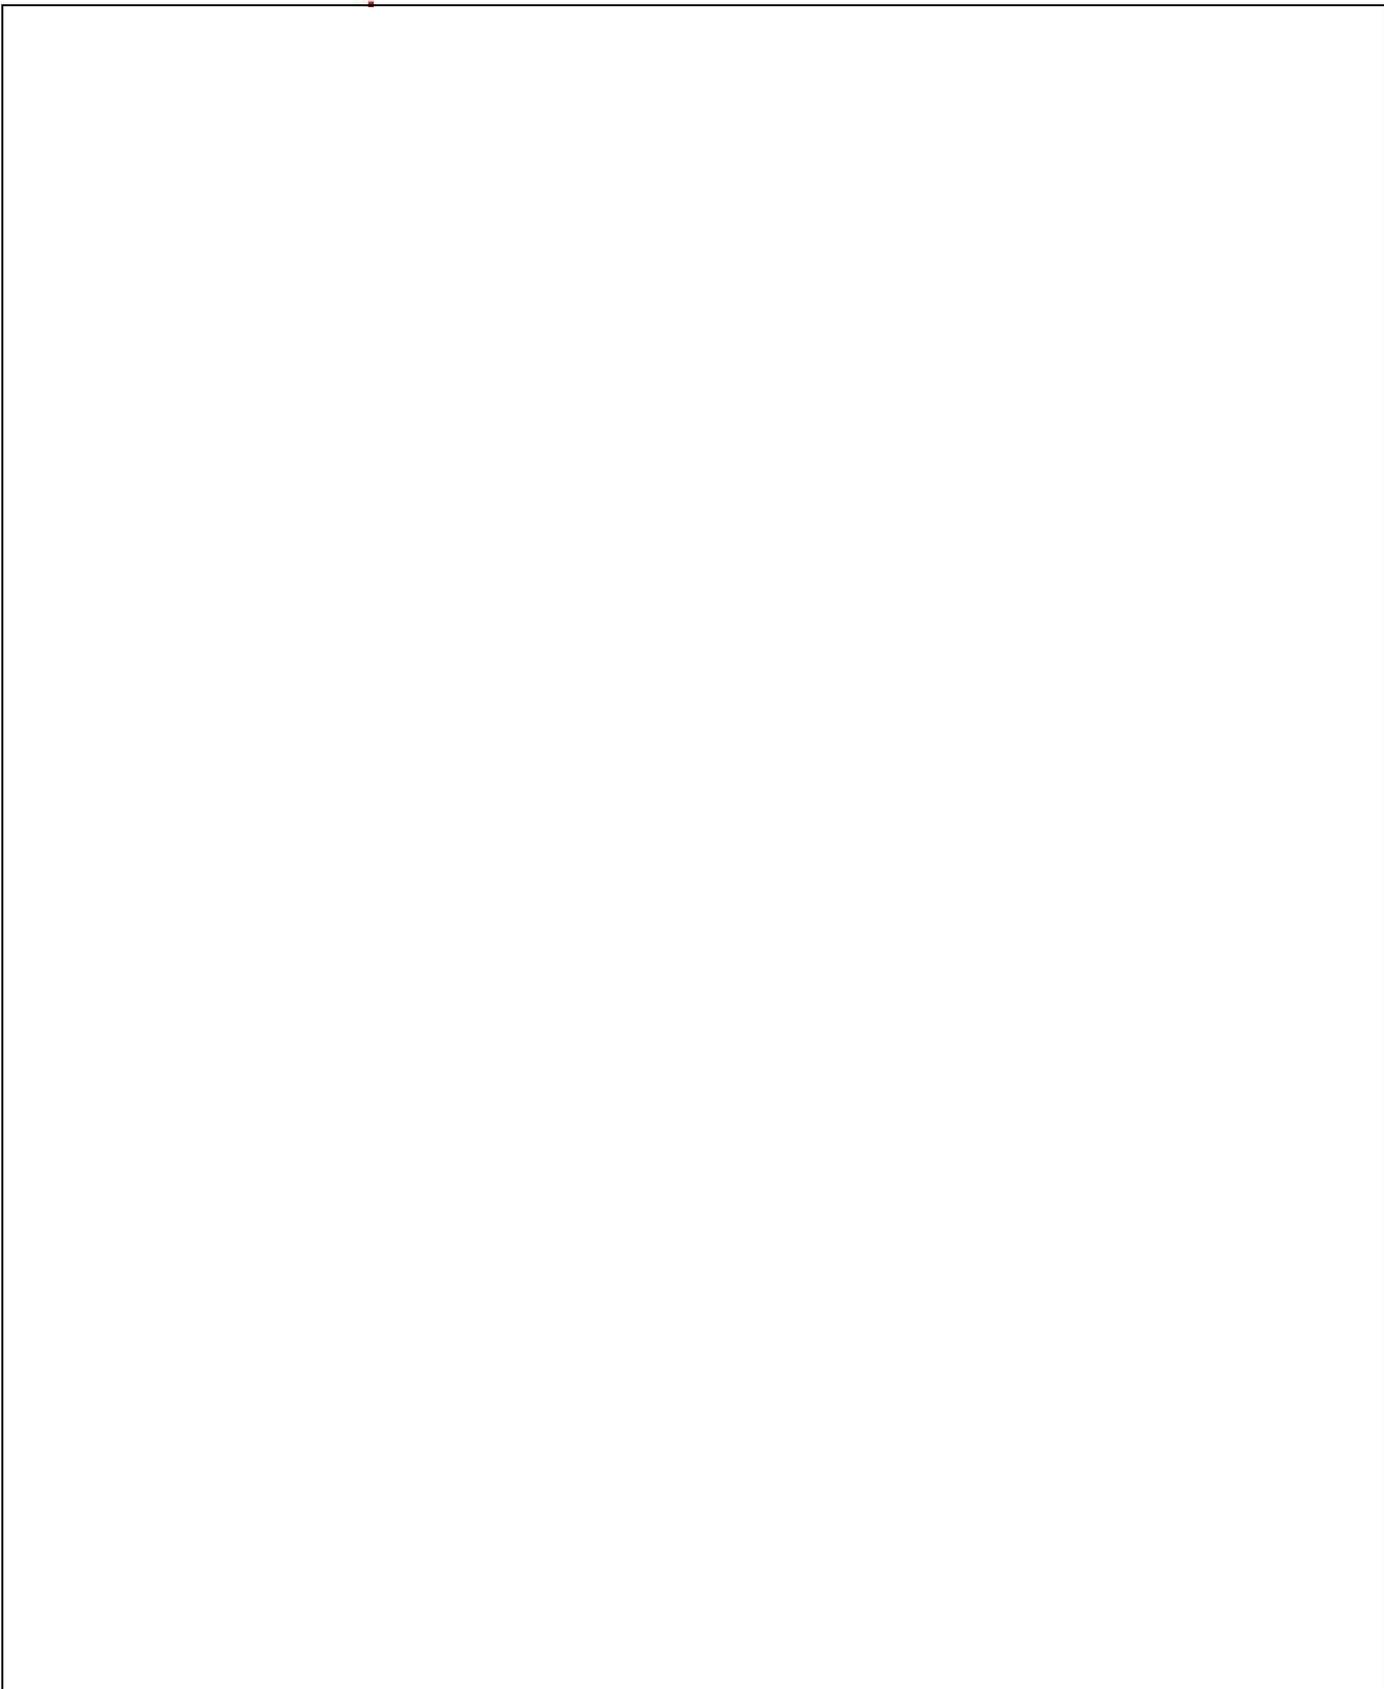

At present for a south bound destination there is the narrow Sidney Farm Lane leading to a peak time congested junction with the A1/A606.

For a north bound destination the route is again via Sidney Farm Lane, or on the B1081 through Great Casterton to the northbound only access to the A1. This road goes right through the centre of the village, and in particular the Conservation area which contains many listed buildings. In the centre of the village there is a congested crossroads which is prone to holding up through traffic and causing tailbacks in the village; there are also three chicanes to reduce traffic speeds. The Easterly pavement on this road is designated as a “safe route to school” for the two schools in the village.

There are of course routes through Stamford Town to the A1. But these are congested and due to short run-ons to the A1 are unsatisfactory.
