1	Appendix A appears to reflect as what is now in 2023 and there is no provision to mark the proposed housing developments which will draw on special expense areas. The wards as shown fail to represent a true sense of who will benefit from a town council. Thus who will gain, and who will lose out!	8/9/2023 9:05 AM
2	Some of the ward boundary areas look less densely populated. Do the boundaries & Councillors allocated adequately reflect this? Just an observation.	8/3/2023 1:06 PM
3	Retaining fossil boundaries which do not reflect the economic and social structure of Grantham in 2023 would be a lost opportunity to shape the town's future. The western boundary should be the A1, with unparished areas to the west of it exchanged for parishad land to the east, so that Barrowby, Harlaxton, etc are not disadvantaged. Londonthorpe Lane should be the north-eastern boundary, ensuring equal status for all of the contiguous area of housing. The new southern bypass should be the south-eastern boundary, so that the town council can exercise proper influence over development inside the line of the road. Land identified for development between St Vincent's ward and the A52 should also be within Grantham.	8/1/2023 5:11 PM
4	Lincs County Council should be the sole Council responsible for Lincolnshire affairs with local representatives.	8/1/2023 4:40 PM
5	another name that is not the same as the wards of the SKDC council. Having the same name will only confuse the residents.	8/1/2023 10:40 AM
6	The boundaries do not appear to reflect the historic parish boundaries . The town parish appears to be claiming land that should be in adjoining parishes. I am particularly interested in Barrowby where he boundary for Barrowby should include more of Earlsfield and Barrowby Gate.	8/1/2023 3:11 AM
7	Should not all of Harrowby be included into the boundary and also look into including all the way up to and including Gonerby and Barrowby	7/31/2023 10:49 PM
8	County Council boundaries.	7/31/2023 6:03 PM
9	There is no need for a Town Council unless significantly more powers are devolved by the district council. I.e. Market service, museum, parts of ground maintenance, events and external funding such as shared prosperity fund (proportion of) etc.	7/25/2023 8:31 PM
10	I think that sunningdale and alma park should be inclusive, why does the boundary extend near the south of the town but not the east? Sunningdale is always treated as an extension rather than inclusive	7/15/2023 8:01 AM
11	There are large parts of Grantham that fall into village parishes, for example, the Sunningdale estate is within Londonthorpe parish boundaries. Perhaps these should be combined of those boundaries re-drawn?	7/14/2023 10:02 AM
12	The area of Alma Park & Sunningdale should be incorporated into the town. Harrowby Without & Londonthorpe incorpated into rural parish	7/13/2023 8:20 PM
13	numbers should be 23 or 21 as on any voting an odd number will get on put through	7/10/2023 3:32 PM
14	I have read but i do not have enough knowledge to answer yes outright	7/10/2023 3:16 PM
15	Because i like the council we got now because they are very helpful in a lot of ways.	7/10/2023 3:05 PM
16	Some of the proposed boundaries mean that, on the periphery of the 'town', certain housing estates that are physically contiguous will be divided, with part of the estate within the town and part in one of the surrounding parishes. Surely this, necessary and welcome, review of governance is the opportunity to realign the existing ward boundaries so that land that is in reality in 'the town', also falls within it its administrative footprint?	7/8/2023 11:49 AM
17	keep current arrangements in place.	7/4/2023 10:17 AM

18	I do not want another council. So I say no to a new council	6/30/2023 8:58 PM
19	leave as is	6/30/2023 3:39 PM
20	Why is St Vincents so large, and does Welham Street get split so arbitrarily - Welham St Car Park in St Wulframs, Waterfront directly opposite in St Vincents when the river provides a much better boundary.	6/29/2023 4:20 PM
21	Everything East of the A1 and everything West of the High Dyke, south of the Gonerby Moor Northern A1 Triangle and North of Little Ponton should be included.	6/29/2023 9:52 AM
22	Arnoldfield seems completely disjointed. Until the road is built over the railway line linking the new Barrowby Gate estate with Gonerby Hill Foot, these two areas should be considered as separate wards in my eyes.	6/28/2023 9:26 AM
23	In my view Grantham does not need a Town Council. It is well served already by the SKDC. The additional cost is not justified and wholly unnecessary	6/28/2023 9:22 AM
24	No new Council	6/27/2023 9:23 PM
25	You appear to be stealing a significant part of the Parish of Barrowby. Parish Boundaries should be honoured. New build houses are in Barrowby Parish and the revenue from Council tax should be paid to the Parish as appropriate. There appears to be a plan to steal this revenue and move houses into Grantham Town.	6/27/2023 2:20 PM
26	This would appear to be change for changes sake. Just do away with the Council as they are only trying to glorify their position	6/27/2023 2:14 PM
27	I appreciate that people do not like change, but, with all of the new developments taking place in and around Grantham, historic boundaries of any kind are making less and less sense. For example, I live on Hillside Crescent; half of the estate is one side of the parish / ward boundaries, the other half, which only gains access through our half, are in another ward / parish. Bridge End Road Estate is another example of the historic nonsensical arrangements. The newly proposed village within the new A52 ring-road (although it will have a major impact on our area) will be in yet another ward / parish. Surely, the time has come to move boundaries such that they contain 'whole' sections of the communities.	6/27/2023 11:47 AM
28	Remain in a parish council area I feel that any change will result in yet another council tax increase with little to show for it	6/27/2023 10:39 AM
29	I would like to be included within the boundary, but not sure if our address is. We live at .	6/27/2023 9:38 AM
30	Parish of Londonthorpe & Harrowby without should be included	6/27/2023 9:07 AM
31	Parish of Londonthorpe & Harrowby without should be included	6/27/2023 9:05 AM
32	The town council should be a singular area to enable greater agreement to be reached cross boundaries.	6/27/2023 9:04 AM
33	where would Harrowby Without sit? it is not included in the boundaries as set out and yet it inlcudes is a major estate in Grantham	6/27/2023 7:55 AM
34	Just leave things as they are. We have a cost of living crisis and do not need more useless and costly local government.	6/27/2023 7:29 AM
35	Boundary should follow key housingwhy does boundary cut Somerby hill estates in half?	6/26/2023 10:30 PM
36	Why not include bridge end grove estate as part of the area covered by the town council?	6/26/2023 6:34 PM
37	Most of the sunningdale estate would be excluded from representation.	6/26/2023 6:00 PM
38	The boundary should include residential areas that make use of the town's facilities irrespective of the parish they may already be in. This may mean 2 precepts are paid by some residents of that the new parish comes to a suitable arrangement with existing parishes but it is grossly unfair for people in the new parish to subside those not given they use the public facilities in town.	6/26/2023 5:03 PM
39	Not 100% sure what the difference is between Q3 & Q4 but the warding boundaries for Barrowby Gate and Arnoldfield in Appendix A already fail to include the new major developments just outside but linked to the Wards. The future Town Council should be consulted on any major developments linked/adjacent to the Wards that could otherwise be approved by SKDC without reference to the Town Council, and if such developments are approved then Ward boundaries should automatically increase.	6/26/2023 4:42 PM
40	Separate ward for the town centre, which faces distinct problems from the more residential	6/26/2023 4:38 PM

	areas.	
41	Grantham does not require another 22 councillors to do no more than what is undertaken by SKDC	6/26/2023 4:24 PM
42	It seems odd that part of Manthorpe estate and Gonerby Hill foot should be outside of the proposed area even if this fits with existing ward boundaries	6/26/2023 4:13 PM
43	Arnoldfield boundary is already too small for the development taking place on Barrowby Road. Suspect Springfield will be the same in near future. Boundaries should extend with new major planning approvals.	6/26/2023 4:06 PM
44	Don't agree with a Town council at all.	6/26/2023 4:05 PM
45	I think the wards should be much smaller, ideally single member.	6/26/2023 3:56 PM
46	It should be done at County level as the population of Lincolnshire is too small to warrant the expenditure	6/26/2023 3:28 PM
47	No changes at all	6/26/2023 3:20 PM

1	3 or 4 that is the question? St Vincents is the only ward to have been given the opportunity to have 4 councillors. Why? I would welcome the proposal of 4 councillors for St Wulframs, Earlesfield, Arnoldfield. Better still 4 for all wards. Need for true honest representation and opportunity to influence change.	8/9/2023 9:05 AM
2	Yes, being dependant on my response to question 5	8/3/2023 1:06 PM
3	The ratio of councillors to ward population seems high. What is it in Stamford, Bourne and Market Deepings? Grantham's total should be no higher.	8/1/2023 5:11 PM
4	See Lincs County Council total responsibility and accountability for Council services	8/1/2023 4:40 PM
5	This seems too large and expensive for the amount of 'work' they will be doing. Why would a town council need more elected members than represent it a district level? 2 per ward maximum.	8/1/2023 8:18 AM
6	I feel the size of Electorate in Earlsfield and Arnoldfield need to be 4 as well due to being over 4,000 electorate and not 3.	8/1/2023 4:01 AM
7	Too many. Perhaps 13 or 15?	7/31/2023 6:03 PM
8	The town is growing and this number may need to change in the future	7/26/2023 9:20 AM
9	No Town Council. You have not started what the allowances are for 22 Councillors or the annual aggregate value.	7/25/2023 8:31 PM
10	Two each per ward except St Vincents which should have three. Total is to match the current number of SKDC councillors in those wards	7/24/2023 11:15 AM
11	22 councillors yes and town mayor. Town mayor to be elected by separate ballot by the Council Tax paying electoral register from a list of non council officials ie from the town's business leaders	7/24/2023 11:07 AM
12	The more councillors, the more demanding and the longer the meetings will be. I'd propose to keep it to 15 councillors: St Vincent 3 and the others 2.	7/16/2023 4:31 PM
13	2 instead of 3 and 3 instead of 4. Why do we need more than present district councillors	7/14/2023 10:47 PM
14	If 22 is more than previously then i agree. But if it is less i cant see how it will benefit anyone but skdc!	7/14/2023 8:17 PM
15	Less	7/14/2023 12:40 PM
16	Seems tobe a lot of Cllrs. Considering only 2 SKDC Cllrs represent most Town Wards.	7/13/2023 8:20 PM
17	see response to q4. Odd numbers work. Even numbers don't.	7/10/2023 3:32 PM
18	I think you should not close the door to 22. You might need less but more	7/10/2023 3:16 PM
19	If 15 are currently elected to the District Council, why are 7 more (one for each ward presumably) needed? This seems a waste of money.	7/7/2023 3:55 PM
20	2 per area	7/5/2023 10:55 AM
21	Ideally keep the current arrangements in place, so that no new councillors would be required. If we have to have councillors reduce the numbers by one third.	7/4/2023 10:17 AM
22	Same amount as there are Charter Trustees at the moment. 15.	7/3/2023 5:46 PM

26	2 per ward 3 for St Vincent's	6/30/2023 2:04 PM
27	It is too many, they will likely be the same people who are already district and county councillors as there is so much political apathy. We should be removing tries of governance not adding more.	6/30/2023 7:06 AM
28	I suggest a lower odd number, 21 or 19. This will ensure a majority during voting process. This will ensure a timely and efficient result.	6/29/2023 7:43 PM

36	Do you really need that many? Trying to get all our parish councillors together is tight. Go for 10 plus chairmAm.	6/27/2023 1:30 PM
37	3 Councillors per ward is sufficient. All wards may increase population in the future and then would be the appropriate time to elect further councillors.	6/27/2023 12:36 PM

46	1 for each ward would be more than sufficient	6/26/2023 6:47 PM
47	See above comment	6/26/2023 6:34 PM
48	3 per area should be enough	6/26/2023 6:26 PM
49	I think each ward should have 3 councillors, and that would make $21$ , so majority win, the mayor not voting, , the would have a casting vote.	6/26/2023 6:06 PM
50	2 per ward.	6/26/2023 5:49 PM
51	There should be less say 12-15	6/26/2023 5:41 PM
52	There are presently 16 councillors for the present wards in Grantham. This will presumably remain the situation after the introduction of the Town Council as SKDC will retain responsibility for service delivery in many areas of the Town's life. Until there is clarification of the responsibilities which will pass to the Town Council it is hard to understand, and to justify, an additional 22 elected members; the potential for the Town Council to be neutered by virtue of becoming a talking shop is a depressing one. For the purposes of establishing the Town Council as a legitimate body it would be sensible to restrict the initial strength to no more than ten to be tasked with the sole task of agreeing the responsibilities of the new council. It would then be appropriate for this to be the manifesto document on which to elect the new members to serve and the appropriate time to decide their number which should not exceed the present Charter Trustees	6/26/2023 5:15 PM
53	max 2 per ward preferably 1	6/26/2023 5:08 PM
54	Too many where no decisions will be made	6/26/2023 4:50 PM
55	Too many	6/26/2023 4:47 PM
56	Grantham does not require another 22 councillors to do no more than what is undertaken by SKDC. Although I disagree with the complete idea, if this council is established why does it need 3 people to represent the small areas that are shown on the map.	6/26/2023 4:24 PM
57	Why so many? Surely 2 is enough in each, including St. Vincent's. Please keep the costs down.	6/26/2023 4:22 PM
58	I do not want a town council if it means increasing the amount of Council Tax during a very difficult financial time	6/26/2023 4:13 PM

60	All proposed wards should have the same number of councillors, whether the number is set at 3 councillors per ward or 4 per ward	6/26/2023 3:44 PM

1	Feel unable to comment on the boundaries because I do not live in the immediate area affected. It is a decision for the residents involved.	8/9/2023 8:58 AM
2	A Town Council is a much needed thing for Grantham	8/7/2023 3:26 AM
3	Some of our pro rata existing precept contributions to SKDC should be reallocated to the new Grantham Parish Council, based on population size. A smaller aditional precept raising can then be made by Grantham Parish Council as necessary for increased services. Also to make the argument that surrounding Parishes which fall outside of the new Grantham Parish Council also use the new Town Council services & amenities so should also contribute.	8/3/2023 1:06 PM
4	Anyone elected must live within the boundary, or they cannot truly be invested in improving services and amenities for Grantham people.	8/2/2023 11:18 PM
5	Thanks for the opportunity to indicate I do not agree with this plan which dilutes or duplicates responsibility and accountability.	8/1/2023 4:40 PM
5	The Mayor should be an independent person and not a Councillor	7/31/2023 10:11 PM
7	A Town Council is a step in the wrong direction. Another layer of local government will add to the public's confusion as to "who does what?" - the answer is usually simply "the Council", meaning at present that SKDC often gets the blame for LCC failings; this will get worse with GTC as well. It would be absurb to exclude urban areas which natually look like part of Grantham and rely on the town's facilities; this issue will grow as the town expands. The correct direction would be towards a unitary authority for SK or a wider part of Lincolnshire - no confusion, no duplication, no buck passing, no delaying while joint committees and working parties deliberate endlessly. Also, would GTC be able to afford, recruit and retain expert staff to perform its duties - at present Grantham has the huge advantage of drawing on SKDC's staff for what would become GTC functions? It is hard to believe that costs would not increase. Finally, surely the recent change of political control must justify a pause for a serious rethink.	7/31/2023 5:57 PM
8	These proposals are a good starting base. But ( as above) the growing town may need to change boundaries and numbers in the future.	7/26/2023 9:20 AM
9	Yes this does not provide the true cost or delegated powers of the town council and is a failure of a review and public consultation. You should start again and provide additional information to be open and transparent about such a decision	7/25/2023 8:31 PM
10	Although the word parish is used often there seems to be no mention of church of england churches. I am anxious to know if the present churches -St wulframs, St Johns Spitalgate, St Annes, Earlesfield, St Johns Manthorpe, St Johns Londonthorpe, Church of the Ascension will all continue to operate on the present basis.	7/24/2023 11:28 AM
11	Based on the information in this booklet the only thing that will happen s that we will pay for more than now based on what other towns pay. It has been stated that we will be able to influence planning. However we constantly hear that. SKDC Planning Committee completely ignore what parish and town councils suggest!	7/24/2023 11:15 AM
	We fully support a town council for Grantham with the proviso that it does not become a	7/24/2023 10:43 AM
12	mere talking shop. it should exist to improve the general well-being of the community, not for making political points. Public opinion needs to be listened to.	

	county council. The decisions taken by the council should not be based on preconceptions from any of the political groups decisions within the other authorities. The membership should be free of those pressures. However, if democracy dictates that existing councillors can stand for election there should be a limit on dual membership.	
14	This is a long overdue adjustment to the deplorable want of democratic representation and actual spending on parts of Grantham. May I ask that as soon as possible some manner of interim service is installed so that residents can immediately start raising, and having addressed, issues that SKDC have seen fit to kick into the long grass, such as allotments and dog fouling bins.	7/21/2023 5:53 PM
15	Although I know this comes from a long tradition, I would recommend stopping the term 'Parish' as in the 21st century, this reference is seriously outdated. I'd prefer if we'd speak of a Town Council and Wards. I suggest to call it Grantham Town Council. Period. Not Grantham Parish which calls itself a Town Council. Although there is an explanation of the terms, it remains very confusing.	7/16/2023 4:31 PM
16	Are there projected costings for a town council and what responsibilities will it carry out	7/14/2023 10:47 PM
17	Don't add yet another layer to local government. The problems in Grantham could be dealt with if SKDC wanted to and if the government wasn't so city centric. Another layer will just be more excuses to pass queries around and finger point at each other. It happens between county and district and it happens across 3 tiers everywhere else. "It's not us it's them".	7/14/2023 12:04 PM
18	As this is the 1st level of local government, I believe that anyone standing, should not be allowed to put any Party political name or emblem, this is so all standing have the same chance, and that you don't get Elected because you belong to a political party.	7/14/2023 10:11 AM
19	Town Council - Yes Numbers - too many Boundaries need to be reconsidered	7/13/2023 8:20 PM
20	I would like to see more than 3% of council tax monies given to the parish council so they can be more responsive to local peoples' requirements	7/10/2023 3:32 PM
21	Take part in it to bring Grantham back to what it was years ago	7/10/2023 3:27 PM
22	I am all for a town council. I think a town council looks after the town better than a district -it is more personal. I do not have a computer to go online - I am too poor- so any extra costs would affect me - but it would be nice to have a local looking after a local like me. I cannot view as I cannot afford a computer. You must remember people in retired accommodation are poor. I rely on housing benefit to make ends meet. i had a four bedroom detached house in Darlington but i sold it to help the poor. I went homeless in London. i am grateful for my flat- but i do need financial help still.	7/10/2023 3:16 PM
23	I don't believe one new council will be of any use because they don't know the ways like the council we have now	7/10/2023 3:05 PM
24	Will the town Council have an input to the NHS services in the town, particularly at Grantham Hospital which needs a champion as it is constantly under attack from an unsympathetic ULHT organisation. we should have a say in our services not vested interest groups from outside the town.	7/10/2023 3:01 PM
25	Why have ypu only posted followup surveys to those who voted in favour of the proposal?	7/8/2023 8:52 AM
26	Why is it being suggested that Grantham, which is a town, should be known as 'Grantham Parish'? This seems to demean the town's stature as a town.	7/7/2023 3:55 PM
27	The boundary to the west of Barrowby Gate should really be the A1. New estates being built to the east of the A1 will naturally feel part of Grantham not part of Barrowby.	7/6/2023 10:06 AM

31	I do not want another town council there is enough beauocracy in Grantham as it is	6/30/2023 8:58 PM
32	Existing councillors on Lincs County Council or SKDC should nobe allowed to stand on the town council	6/30/2023 6:10 PM
33	The costs to administrate this proposed change out weigh the benefits. Too much talking and not enough doing. I do agree that the outdated 'tradition' that is the Charter Trustees be removed.	6/30/2023 7:06 AM
34	Largely presented as a fait-accompli by SKDC, too much unknown (cost?) to make a fair	6/29/2023 4:20 PM

36	Grantham desperately needs a town council.	6/29/2023 9:52 AM
37	This survey had no warning the browsers back button doesn't work.	6/29/2023 1:38 AM
38	I would like to know the additional amount we would be expected to pay. Would the town councillors be paid more than just expenses? I'm not sure this is the best time to expect people to be paying more to fund an additional level of bureaucracy for so little apparent return.	6/28/2023 8:10 PM
39	As long as it is beneficial to all the people in the wards stated that would be okay.	6/28/2023 1:46 PM
40	I would suggest changing the boundary of the new town council to the west as the A1 for Springfield, Earlesfield and Barrowby Gate Arnoldfield to the NW as the A1 and the Railway Line. To the south, Springfield to stop at the New Southern Relief Road and the railway. To the East, St Vincents to go to the New Southern Relief Road, A52 and High Dyke and in the the North, Harrowby to go to Londonthorpe Road and Alma Park road.	6/28/2023 1:03 PM
41	Cost is ridiculous, much higher than other areas, that needs to be reviewed.	6/28/2023 10:44 AM
42	Would the additional council tax levied by a town council be offset by an equivalent reduction in the council tax levied by SKDC in recognition of the reduction of services they would be required to provide? If not, why not?	6/28/2023 10:33 AM
43	see my reply to 4 above	6/28/2023 9:22 AM
44	It is all a waste of money	6/27/2023 9:23 PM
45	Why not incorporate all the dwellings in Harrowby and Manthorpe wards having only a proportion creates divisions	6/27/2023 5:49 PM
46	If they are just transferring existing councillors then what is the point. The people of Grantham should have their say, they are the lifeblood of the town	6/27/2023 4:08 PM
47	Total cost should not exceed the current Chart Trustee budget	6/27/2023 2:21 PM
48	You appear to be stealing a significant part of the Parish of Barrowby. Parish Boundaries should be honoured. New build houses are in Barrowby Parish and the revenue from Council tax should be paid to the Parish as appropriate. There appears to be a plan to steal this revenue and move houses into Grantham Town.	6/27/2023 2:20 PM
49	Sorry but another waste of public money. Why should we agree with SKDC when there management has been dire in the last years	6/27/2023 2:14 PM
50	Will consideration be given to the Town Council assuming responsibility for the town parks and for the Guildhall Arts Centre?	6/27/2023 12:49 PM
51	I appreciate that the voices of residents in the area are very important, but given the so disgustingly few responses to Stage 1, then perhaps the real views of the populous are still unknown. Obviously, Grantham still has the the largest Apathetic Society in Lincolnshire.	6/27/2023 11:47 AM
52	I would like proposed costs for the Town Council to be disclosed and discussed, and for residents to have input into the areas of responsibility. I would also expect that if there were to be an increased charge to fund the Town Council, then we would expect to also see a reduction in the Council Tax charges for properties in the area given the removal of responsibility for certain tasks from SKDC and the transfer of this to the Town Council.	6/27/2023 11:19 AM
53	How are local council taxes collected after Town Council is formed? Are there seperate bills for Grantham Parish Town Council?	6/27/2023 10:52 AM
54	It seems to me (and many of my neighbours) that council tax increases but services are reduced. Without seeming to be moaning or even having a forward looking attitude, the area I live in is steadily becoming "forgotten" for street cleaning (ie twice a year) what was once a very nice clean and tidy area has become unkempt with weeds growing out of pavement sand offering a general run down look about it. For me a Town Council is yet another tier of local govt which will rapidly increase spending and ultimately raise the council tax. Therefore my vote is against, make use of what Grantham has now bring people/visitors into our town, provide cheap parking get our economy working, encourage our market (look at Newark for example) shout about our towns heritage and it's famous peoplewe're missing out here. We could and should focus on what we have and not daydream of yet another crackpot idea to waste money. Apologies for going on but it's how I feel and I'm	6/27/2023 10:39 AM

	79next birthday and our younger generation are (becoming)unaware of what's great place they live in .	
55	I would like published the exact duties and work to be done by each councillor and that we see marked improvements in town governance. To include visible policing, managing anti social behaviour, road maintenance and the overall shabby appearance of our town. We need to attract better quality businesses and improve the appearance of our high street and town centre, which is in a very shabby downmarket state. I would also like the abolishing of the existing Christmas decorarions - rather have nothing than the awful enbarassing display you put up each year.	6/27/2023 10:14 AM
56	The parish boundaries do not include all areas that will be affected eg Sunningdale, Manthorpe, Alma Park, Gonerby, Somerby Hill and do not take account of the areas of new and proposed development	6/27/2023 9:30 AM
57	Grantham being given a Town Council is long overdue. Grantham is a poor relation to Stamford and Bourne due to the absence of a Town Council.	6/27/2023 9:01 AM
58	Establishing a Town Council for Grantham would be a good move forwards as it has benefitted other towns: Stamford being a good example.	6/27/2023 8:38 AM
59	Sunningdale estate is a major housing estate in Grantham and yet seems to sit outside of the boundaries? we contribute a huge amount of funding into Grantham so where will that go?	6/27/2023 7:55 AM
60	No - see 4	6/27/2023 7:29 AM
61	I think a Town Council will only lead to increased costs with little benefit.	6/27/2023 7:05 AM
62	If SKDC is to set the amount for the first year, why don't they know/say how much it would be.	6/27/2023 6:53 AM
63	This is just another level of beaurocracy which has cost implications to council tax payers. In this time of financial turmoil why change something that works	6/26/2023 6:47 PM
64	Very disappointed we are still part of the parish council.	6/26/2023 6:34 PM
65	Good news	6/26/2023 6:32 PM
66	I believe no district councillors, should get a free place in the new Town Council, and if any district councillors stand for the Town Council, they should not use any political parties name.	6/26/2023 6:06 PM
67	As the boundaries are currently, it looks like my house will be in one area and my next door neighbour will be in another. That does not make sense if in the same street, surely?	6/26/2023 5:35 PM
68	we do need more controls on what happens in our town rather than decisions made for the town by people who dont even live here.	6/26/2023 5:28 PM
69	Whilst not directly included in this survey it would be nice to have some indication of those areas which SKDC is likely to be prepared to pass to Grantham. Retention by SKDC of excess powers will frustrate the ability of the new council to develop and decide what is in the best interests of Grantham.	6/26/2023 5:15 PM
70	a reduction in SKDC precept equivalent to the proposed Town Council precept. i.e it should be cost neutral	6/26/2023 5:08 PM
71	Question. Will the current payments to skdc be reduced by the amount of the precept. If not, why not?	6/26/2023 5:03 PM
72	The town council should be a parish style council were more community members have the right to review what's best for the town, the other issues is the numbers/ councillors 22 necessary to run all the wards or can this be defined to a smaller amount ???	6/26/2023 4:52 PM
73	This will cost the Council Tax payer more money in Council Tax where alot of people are struggling due to high inflation and cost of borrowing. The whole idea should be put on the back burner.	6/26/2023 4:50 PM
74	This seems a little responsibility for a lot of money compared with the similar councils in the county	6/26/2023 4:37 PM
75	Currently we pay £57 for the services that are due to be undertaken by this new council, I note that Market Deeping pay £107 for these services, no doubt if we get people with stupid ideas (street furniture all over the place) we shall end up paying the same, or more, than Market Deeping.	6/26/2023 4:24 PM

76	It's my opinion that the Town doesn't need a Mayor or a deputy and the associated costs that go with supporting them. Most residents I know think the same.	6/26/2023 4:22 PM
77	Agree in principal with limited questionnaire above I think more questions would be raised as progression is made towards town council but with significant planning in place for new build developments leading to substantial increases in population vehicles general improvements in town centre to cope with increases and provis perhaps a more inviting town centre ambience and environment needs to be added to the remit of the council not totally clear this would be included in remit	6/26/2023 4:21 PM
78	You need to increase the pace of this change, otherwise South Kesteven will have approved even more major developments without adequate social amenities.	6/26/2023 4:06 PM
79	I CAN'T AFFORD TO PAY FOR A TOWN COUNCIL	6/26/2023 4:05 PM
80	Disagree with the setting up of Town Council	6/26/2023 3:57 PM
81	I am concerned that this would be used as an excuse to ask for more money even though I agree in principle	6/26/2023 3:56 PM
82	Great news that this is coming and well done to everyone involved.	6/26/2023 3:56 PM
83	I do not believe that you have a mandate for this change, the overall response rate to stage one was so poor as to be worthless and you excluded a lot of 'no' responses to justify yhr result overall. This is going to be an expensive 'white Elephant' structure that will not be able to deliver its aims & all for one Man's ego	6/26/2023 3:47 PM
84	Great idea, a Parish Council will bring much benefit to Grantham	6/26/2023 3:40 PM
85	Any increase in taxation is most unwelcome	6/26/2023 3:20 PM
