## Who gets your Council Tax?

South Kesteven District Council collects the Council Tax. However, we keep less than one tenth of it. The rest is transferred to Lincolnshire County Council, the Police Authority and Parish and Town Councils, as detailed on pages 6 and 16.

## What is Council Tax and who has to pay?

Council Tax is a tax based on the value of residents' homes. Council and police services are paid for by income from Government grants, Council Tax, fees and other charges.

Owner-occupiers and their partners usually have to pay the Council Tax bill. Where homes are rented, the tenants and their partners will have to pay. In the case of empty homes, it's normally the owner who has to pay.

The owners of these properties also have to pay:

- > Residential care homes, nursing homes and hostels, and
- > Those occupied by
  - a minister of religion or a religious community
  - more than one household or resident staff or asylum seekers

Please contact us if you have been made the liable person, but you believe this is incorrect.

## What are valuation bands – can you appeal?

The Valuation Office, an executive agency of HM Revenue and Customs, has given each property a valuation band, between A and H, according to its market value in April 1991. If your property was built after April 1991, it will be valued as if it had existed then.

Band	Market value (at April 1991)
A	Up to £40,000
B	£40,001 - £52,000
C	£52,001 - £68,000
D	£68,001 - £88,000
E	£88,001 - £120,000
F	£120,001 - £160,000
G	£160,001 - £320,000
H	More than £320,000

## You can appeal against the valuation band if:

- > It's within six months of you becoming the taxpayer
- > The value changes because of demolition work, a conversion, a change of use or any other physical change to the property's location

**You must carry on paying your Council Tax while your appeal is being considered.**

## For more information about valuation bands or appeals, contact:

# Council Tax explained

## Council Tax discounts

You may be able to get a discount if no-one lives in your property. The discount on furnished properties, which are no-one's sole or main residence, is 10%. A discount of 100% will be awarded for one month on any unoccupied and unfurnished property, followed by a 25% discount for a further five months. After this a full 100% charge applies if it remains unoccupied and unfurnished. From 01 April 2020, if the property has been unoccupied for more than 5 years, then a charge of 300% of the council tax will be payable. If a property is unoccupied and requires major structural alterations or repairs, a discount of 25% will be awarded for up to 12 months.

You can get a 25% discount on your bill if there is only one person aged 18 or over living in your home. People under 18, or in one of the groups listed below, are NOT included when counting the number of people living in your home for Council Tax purposes:

- > Most full-time students, student nurses and some apprentices
- > The partner of a student or the dependant of a student who is not a British citizen and is not allowed to work in this country or claim benefits
- > People who are long-term patients in hospital or who live in care homes
- > People who are severely mentally impaired
- > 18 and 19 year olds still eligible for child benefit
- > School and college leavers (from April to October if they are under 20 years old)
- > Low-paid care workers
- > Residents of homeless hostels or night shelters
- > Carers looking after someone who is not their partner and not a child of their own who is under 18 years old
- > Members of religious communities
- > Members of visiting armed forces and international institutions
- > Diplomats
- > People who have been detained (except for

those in prison for non-payment of fines or Council Tax

### **Please contact us if:**

- > You think you should be getting a discount
- > You are getting a discount and your circumstances have changed so that you should no longer get it

## Council Tax exemptions

Generally, you don't have to pay Council Tax on the classes of property listed in the two sections that follow because they are exempt. Some classes do have time limits though and you may have to pay a charge after the exemption runs out. Please note that time limits run from when the circumstances of the exempt class first started to apply, and they don't restart if the property changes hands.

### **Classes of exempt EMPTY property:**

**Class B** - owned by a charity (exempt for up to 6 months only)

**Class D** - the tax payer has been detained (except for those in prison for non-payment of fines or Council Tax)

**Class E** - the tax payer has left the property to live in a care home

**Class F** - the tax payer has died (exempt for up to 6 months after probate granted)

**Class G** - can't be lived in by law

**Class H** - held for a minister of religion

**Class I** - the tax payer has gone to live elsewhere to receive personal care

**Class J** - the tax payer has gone to live elsewhere to provide personal care

**Class K** - left empty by a student

**Class L** - the mortgagee has possession

**Class Q** - the tax payer is trustee to a bankrupt

**Class R** - unused caravan pitch or boat mooring

**Class T** - unoccupied annexe to occupied property

### **Classes of exempt OCCUPIED property:**

**Class M** - student halls of residence

**Class N** - all occupiers are students, school or college leavers or non-British dependants or partners of students

**Class O** - UK armed forces accommodation

**Class P** - visiting forces accommodation

**Class S** - all occupiers are under 18

**Class U** - all occupiers are severely mentally impaired

**Class V** - main residence of a person with diplomatic privilege or immunity

**Class W** - the annexe to a property occupied by a dependant relative.

## Penalties

You must notify us of a change in circumstances within 21 days. Failure to do so could result in a penalty of £70 being imposed.

## People with disabilities

You can get your bill reduced by one valuation band if you have a second bathroom, a second kitchen, a special room, or enough floor space to use a wheelchair indoors and the facility is necessary to meet the needs of anyone in the home who is disabled. If you qualify for this reduction, you will have to renew your application annually.

## Claiming Council Tax Support

Don't pay more Council Tax than you need to. Council Tax Support can reduce your bill by as much as 100% if one of these applies:

- > You have reached the qualifying age for state pension age
- > You are disabled, a carer, or a war pensioner
- > Your savings and investments are valued below £16,000
- > The income we have to take into account is low enough for you to qualify.

Most working age claimants can only receive Council Tax Support up to 80 per cent of their Council Tax bill.

Even if you own your own home and are working you may still be able to get this support.

And even if you don't qualify for any help in your own right, you may be able to get another type of reduction. This is where someone on a low income is living with you, who is over 18 and not

your partner or paying rent to you. This is called Second Adult Rebate.

## Help with your rent

If you rent your home and have a low income, you may be eligible to claim Universal Credit to help pay your rent. Please visit [www.gov.uk/universal-credit](http://www.gov.uk/universal-credit). You can also visit [www.southkesteven.gov.uk](http://www.southkesteven.gov.uk) which includes a benefit calculator to indicate where you may qualify for assistance. Alternatively, if you are in temporary / supported accommodation, a pensioner, or pay ground rent you can contact us on 01476 406080 and select Benefits to arrange a telephone appointment.

## How to claim Council Tax Support

The quickest way to claim Council Tax Support or Second Adult Rebate is to request an application by calling 01476 406080 and selecting the option for Benefits. The Benefits section will then advise if any further information or evidence is required.

## Are you finding it hard to pay

This booklet contains information about many discounts, exemptions, banding reductions and benefits that can help to reduce your bill. We can advise further on any of these schemes.

If you don't qualify or are already receiving some help, and are still finding it hard to pay, contact us as soon as possible to discuss your payments. The Citizens Advice Bureau (CAB) gives free impartial advice to people struggling with various debts. Email [www.southkestevencab.co.uk](mailto:www.southkestevencab.co.uk)

It has offices in Stamford, Bourne and Grantham. The CAB Advice Line is 0344 411 1444.

The council has the discretion to give Council Tax hardship discounts. These are given in cases of severe financial hardship. If you think this might apply to you, please contact us for more information on 01476 406080.

In addition to the above charges you may receive a charge for Parish/Town Council expenses and Special Expenses incurred in Grantham, Stamford, Bourne, The Deepings and Langtoft. Please see the back page of this leaflet for the additional charges.

The council has taken the decision to increase its portion of the Council Tax including special

expenses by £5. This increase will contribute towards the funding of frontline services and enable investment in the delivery of the priorities.

The financial outlook remains very challenging and the council is focused on continuing to drive out savings, deliver efficiencies and introduce new ways of working to reduce costs and generate new income streams.

## Where the money comes from

■ Council Tax	51%
■ Reserves	8%
■ Business Rates	33%

141,662	Population	141,853
£578.46	<b>Total cost per head</b>	£604.94

## Where does your Council Tax go?

\*SEA's Special Expense Areas are a mechanism to charge elements of Council Tax to a specific area.

## Improving picture, but challenges remain

This year, there's extra money for roads and flooding, with £14m of efficiency savings helping balance the budget.

National government has provided an additional £14m towards adults and children's social care, but a long-term plan is needed for dealing with an ageing population.

With rural areas still receiving a smaller share of government money, the council continues to push for fairer funding for Lincolnshire.

## Spending where it's needed

Overall, the council will spend £1,376m on a range of vital services in 2020/21.

## New spending includes:

- £4m on extra road repair gangs
- £2m more for drainage repairs and new flood-response equipment
- £350,000 to help the council become carbon neutral by 2050

## Infrastructure investment:

- creation of new school places
- replacement of the Skegness and Kirkby on Bain household waste

recycling centres

- projects to boost growth and reduce traffic congestion in Boston
- extension to Horncastle Industrial Estate
- relief roads for North Hykeham and Spalding
- improvements along the Lincolnshire Coastal Highway

## Council tax

The county council's share of council tax this year will go up by 1.5%, plus the additional 2% precept for adult care (the income raised from this will be spent entirely on adult care).

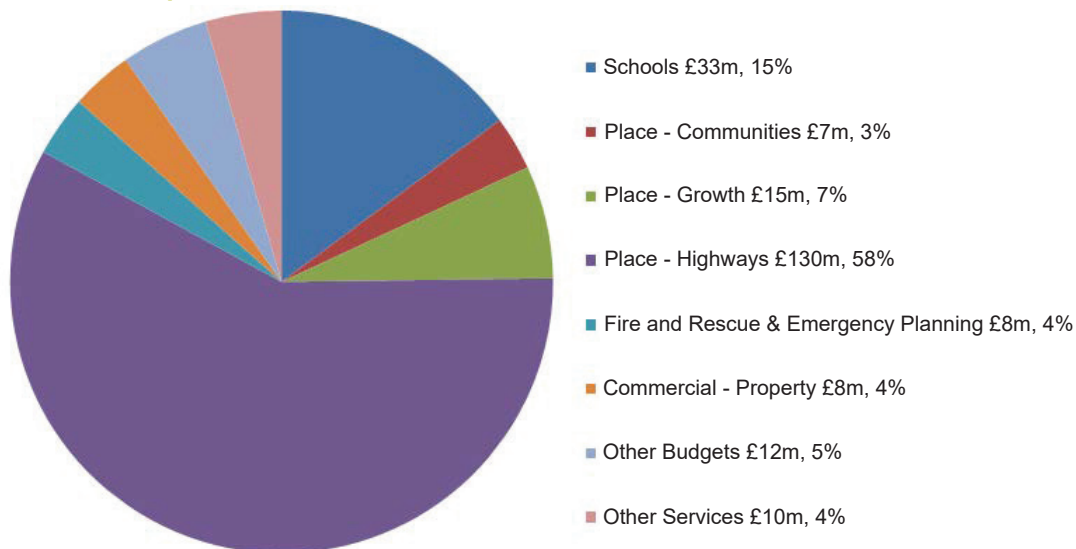

The increase for each is shown on your bill, and will generate an extra £10.373m for the council.

The adult care rise is given as a percentage of the total previous year's bill, not just the previous year's adult social care element.

This 3.5% increase means an extra 87p per week for a Band D property, or 58p for Lincolnshire's many Band A households.

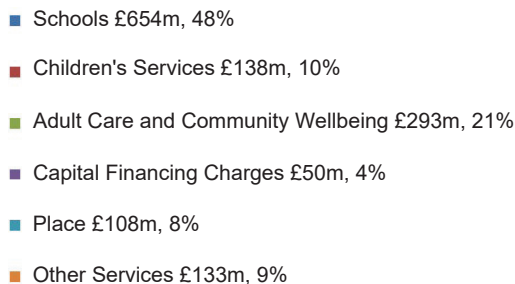

Lincolnshire is still expected to have one of the lowest council tax rates of all 26 English shire counties.

## 2020/21 Capital Investment £223m

**Other Services includes:** New developments.

## 2020/21 Spending On Services £1,376m

The Secretary of State made an offer to adult social care authorities. ("Adult social care authorities" are local authorities which have functions under Part 1 of the Care Act 2014, namely county councils in England, district councils for an area in England for which there is no county council, London borough councils, the Common Council of the City of London and the Council of the Isles of Scilly.)

The offer was the option of an adult social care authority being able to charge an additional "precept" on its council tax without holding a referendum, to assist the authority in meeting its expenditure on adult social care from the financial year 2016-17. It was originally made in respect of the financial years up to and including 2019-20. If the Secretary of State chooses to renew this offer in respect of a particular financial year, this is subject to the approval of the House of Commons.

# How your council tax will be spent on keeping your communities safe

*The Police and Crime Commissioner Marc Jones explains how the extra council tax raised this year will be invested in front line policing to keep you and your community safe.*

## **Lincolnshire's Community Safety, Policing and Criminal Justice Plan for Lincolnshire sets out the aim to see Lincolnshire Police transform into a modern, well equipped and trained Force.**

A huge amount has already been achieved with better use of technology. The introduction of drones, 4x4s, mobile fingerprint scanners, new pursuit vehicles, and automatic number plate recognition cameras are just some examples of the changes made to take the fight to would-be criminals, but more must be done.

We know that we must spend every penny that comes from council tax as wisely as possible.

To inform our priorities, a robust consultation with the public was conducted from 17 December to 7 January, receiving 3,302 completed surveys covering a range of policing, crime and council tax related questions. 80% of respondents supported an increase in council tax in excess of the one

being levied. In fact, 66% of respondents supported an increase in excess of three times the amount being levied.\*

The increase will deliver £1.8 million for policing and crime reduction (a rise of less than 3p a day for most households) with the commitment to investing those funds into helping the Chief Constable protect our communities.

The identified areas for focus, over and above those currently being delivered, will seek to deter criminals from coming to our County or committing crimes within our borders, as well as support reduction of crime and harm from within our County.

For those we cannot deter, more resources will be dedicated to seeking out, arresting and gathering evidence to prosecute those offenders.

*\* The full detail of the survey can be found at [www.lincolnshire-pcc.gov.uk](http://www.lincolnshire-pcc.gov.uk)*

The extra money will be dedicated to:

1. Funding to deliver the additional recruitment of 120 officers in 2020, to protect and serve our community.
2. Making our County's roads hostile to those criminals looking to target our community, with funding for new marked and unmarked cars fitted with the latest offender detection technology.
3. Providing the Chief Constable with funding to expand specialist units - including firearms, the dog section, and the economic crime team - to take the fight to criminals and seize their assets.
4. Extra funding to recruit and train Special Constables and 'specialist' volunteers to support front line policing, with further expansion of police cadets.
5. Our 999 call times are already the envy of other Forces - further investment in 101 and online reporting will be made to give you and your family the swift and sure service they deserve.
6. Investing in the 'right tools for the job'. Our Officers are now equipped with cutting edge equipment and we are harnessing new technology better than ever, enabling them to stay out in your community for even longer.

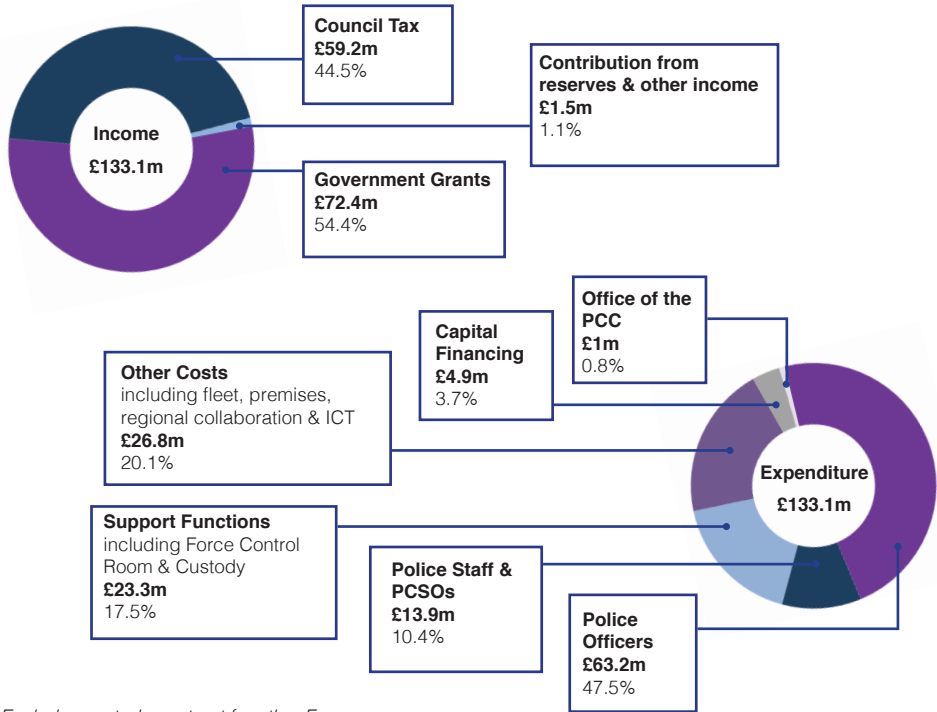

Lincolnshire remains one of the lowest funded police forces in the country, spending less than almost any other area in the UK on policing. What has been achieved in the last few years should be a source of pride.

There is still work to be done but with your support, we can be confident of continuing to live in one of the safest counties in the UK with a modern police force that our communities deserve.

Last year the PCC promised to deliver a number of new projects:

PROJECT	DELIVERED
<b>Drones</b> Extended to the whole County 24/7	
<b>Funding for a new command &amp; control system</b> For more effective officer deployment and to deliver better feedback to the public	
<b>New pursuit vehicles</b> Investment in new police pursuit vehicles for the roads and firearms units	
<b>Improved Neighbourhood Policing Model</b> To allow officers and PCSOs to be in the community for longer	
<b>Mini Police</b> Extend the current mini-police scheme
