# Your Council Tax explained

## Where does your Council Tax go?

South Kesteven District Council collects the Council Tax. However, we keep less than one tenth of it. The rest is transferred to Lincolnshire County Council, the Police Authority and Parish and Town Councils, as detailed on pages 11 to 20.

## What is Council Tax and who has to pay?

Council Tax is a tax based on the value of residents' homes. Council and police services are paid for by income from Government grants, Council Tax, fees and other charges.

Owner-occupiers and their partners usually have to pay the Council Tax bill. Where homes are rented, the tenants and their partners will have to pay. In the case of empty homes, it's normally the owner who has to pay.

### The owners of these properties also have to pay:

- Residential care homes, nursing homes and hostels, and
- Those occupied by
  - a minister of religion or a religious community
  - more than one household or resident, staff or asylum seekers

Please contact us if you have been made the liable person, but you believe this is incorrect.

## What are valuation bands - can you appeal?

The Valuation Office, an executive agency of HM Revenue and Customs, has given each property a valuation band, between A and H, according to its market value in April 1991. If your property was built after April 1991, it will be valued as if it had existed then.

The Valuation Office Agency (VOA) values domestic properties for Council Tax. This valuation is used to set your Council Tax band. You might need to contact the VOA if you think your Council Tax band is wrong. You can find out more about when you can challenge your band and what you need to do at [gov.uk/challenge-council-tax-band](http://gov.uk/challenge-council-tax-band). If you challenge your band, you must continue to pay Council Tax at your current band until your appeal is decided.

Band	Market value (at April 1991)
A	Up to £40,000
B	£40,001 - £52,000
C	£52,001 - £68,000
D	£68,001 - £88,000
E	£88,001 - £120,000
F	£120,001 - £160,000
G	£160,001 - £320,000
H	More than £320,000

## Can I appeal against my property's valuation?

The Valuation Office Agency (VOA) values all business properties for business rates. The valuation is based on information the VOA holds about your property. You can view and update this information at  [gov.uk/voa/valuation](https://gov.uk/voa/valuation).

You can contact the VOA at  [gov.uk/contact-voa](https://gov.uk/contact-voa). If you are unable to use the online service you can also contact the VOA on  **03000 501 501**

The VOA is contacting businesses to request rental information to support the next revaluation of business rates in England and Wales – Revaluation 2023.

If you receive a request please complete and submit your up-to-date details. It is important to provide this information to ensure business rates are fair and accurate. You can find more information at  [gov.uk/voa/revaluation2023](https://gov.uk/voa/revaluation2023).

## Council Tax discounts

You may be able to get a discount if no one lives in your property. The discount on furnished properties, which are no one's sole or main residence, is 10%. A discount of 100% will be awarded for one month on any unoccupied and unfurnished property, followed by a 25% discount for a further five months. After this a full 100% charge applies if it remains unoccupied and unfurnished.

If the property remains empty after two years, then a charge of 200% of the council tax will be payable on the two year anniversary date, if the property has been unoccupied for more than five years, then a charge of 300% of the Council Tax will be payable. If a property is unoccupied and requires major structural alterations or repairs, a discount of 25% will be awarded for up to 12 months.

You can get a 25% discount on your bill if there is only one person aged 18 or over living in your home. People under 18, or in one of the groups listed below, are NOT included when counting the number of people living in your home for Council Tax purposes:

- Most full-time students, student nurses and some apprentices
- The partner of a student or the dependant of a student who is not a British citizen and is not allowed to work in this country or claim benefits

- People who are long-term patients in hospital or who live in care homes
- People who are severely mentally impaired
- 18 and 19 year-olds still eligible for child benefit
- School and college leavers (from April to October if they are under 20 years-old)
- Low-paid care workers
- Residents of homeless hostels or night shelters
- Carers looking after someone who is not their partner and not a child of their own who is under 18 years-old
- Members of religious communities
- Members of visiting armed forces and international institutions
- Diplomats
- People who have been detained (except for those in prison for non-payment of fines or Council Tax)  
Please contact us if:
- You think you should be getting a discount
- You are getting a discount and your circumstances have changed so that you should no longer get it

## Council Tax exemptions

Generally, you don't have to pay Council Tax on the classes of property listed in the two sections that follow because they are exempt. Some classes do have time limits though and you may have to pay a charge after the exemption runs out. Please note that time limits run from when the circumstances of the exempt class first started to apply, and they don't restart if the property changes hands.

## Classes of exempt EMPTY property:

**Class B** - owned by a charity (exempt for up to six months only)

**Class D** - the taxpayer has been detained (except for those in prison for non-payment of fines or Council Tax)

**Class E** - the taxpayer has left the property to live in a care home

**Class F** - the taxpayer has died (exempt for up to six months after probate granted)

**Class G** - can't be lived in by law

**Class H** - held for a minister of religion

**Class I** - the taxpayer has gone to live elsewhere to receive personal care

**Class J** - the taxpayer has gone to live elsewhere to provide personal care

**Class K** - left empty by a student

**Class L** - the mortgagee has possession

**Class Q** - the taxpayer is trustee to a bankrupt

**Class R** - unused caravan pitch or boat mooring

**Class T** - unoccupied annexe to occupied property

## Classes of exempt OCCUPIED property:

**Class M** - student halls of residence

**Class N** - all occupiers are students, school or college leavers or non-British dependants or partners of students

**Class O** - UK armed forces accommodation

**Class P** - visiting forces accommodation

**Class S** - all occupiers are under 18

**Class U** - all occupiers are severely mentally impaired

**Class V** - main residence of a person with diplomatic privilege or immunity

**Class W** - the annexe to a property occupied by a dependant relative.

## Penalties

You must notify us of a change in circumstances within 21 days. Failure to do so could result in a penalty of £70 being imposed.

## People with disabilities

You can get your bill reduced by one valuation band if you have a second kitchen or bathroom/wet room, solely used by the disabled person, a special room adapted for the use of the disabled person, usually a sensory room for a disabled child, a sterile room for dialysis, a room filled with hospital equipment, bed, machinery, hoists etc., or if the disabled person needs to use a wheelchair permanently, inside or outside the house, and the property has been adapted to allow this. Stairlifts, hand rails and ramps are not a qualifying criteria.

## Claiming Council Tax Support

Don't pay more Council Tax than you need to. Council Tax Support can reduce your bill by as much as 100% if one of these applies:

- You have reached the qualifying age for state pension
- You are disabled, a carer, or a war pensioner
- Your savings and investments are valued below £16,000
- The income we have to take into

account is low enough for you to qualify

Most working age claimants can only receive Council Tax Support up to 80% of their Council Tax bill.

Even if you own your own home and are working you may still be able to get this support.

And even if you don't qualify for any help in your own right, you may be able to get another type of reduction. This is where someone on a low income is living with you, who is over 18 and not your partner or paying rent to you. This is called Second Adult Rebate.

The financial outlook remains very challenging and the council is focused on continuing to drive out savings, deliver efficiencies and introduce new ways of working to reduce costs and generate new income streams.

# Balancing the books

## Lincolnshire County Council

### Balancing the books

Overall, the council will spend £545m on a range of vital services in 2022/23. This includes over £200m for adult care, £80m for children's social care, £51m for highways maintenance and around £20m for the fire service.

Not only are we continuing work on the £100m Grantham Southern Relief Road this year, but we'll also be completing our £4.8m road reconstruction project to Roman Bank in Skegness this spring and starting our £1.4m improvements at Red Lion Square in Stamford this summer.

We'll also be spending £14.5m to rebuild over fifteen major A and B roads throughout the county, including the A17 between the Beckingham dual carriageway and the Brant Broughton crossroads, as well as between Byards Leap and Holdingham Roundabout.

There are no cuts to frontline services planned for this year. Over the next four years, we expect to find savings of around £25m through measures which include home working, increased use of digital technology, a reduction in administrative posts and the disposal of surplus buildings.

This will allow us to maintain our frontline services at a time when other councils are having to reduce theirs.

We will continue to push government for a fairer share of the national funding. Local councils have played a huge role in supporting our communities during the pandemic and we hope that we are given the money we need to provide the services our residents rely on.

You can find full details on this year's budget on the council's website at [www.lincolnshire.gov.uk/budget](http://www.lincolnshire.gov.uk/budget)

### Council tax

The authority's funding comes from a combination of council tax, business rates and government grants.

In light of increasing adult care costs and a reduction in government funding for highways maintenance, the council will increase its share of the council tax by 4.99% this year.

The increase is shown on your bill and will generate an extra £22.756m for the council. For a property in council tax band A, the increase would be the equivalent of an extra 87p per week.

Lincolnshire is still expected to have one of the lowest council tax rates of all 26 English shire counties.

The Secretary of State made an offer to adult social care authorities. ("Adult social care authorities" are local authorities which have functions under Part 1 of the Care Act 2014, namely county councils in England, district councils for an area in England where there is no county council, London borough councils, the Common Council of the City of London and the Council of the Isles of Scilly). The offer was the option of an adult social care authority being able to charge an additional "precept" on its council tax without holding a referendum, to assist the authority in meeting its expenditure on adult social care from the financial year 2016-17. It was originally made in respect of the financial years up to and including 2019-20. If the Secretary of State chooses to renew this offer in respect of a particular financial year, this is subject to the approval of the House of Commons. The offer has been extended to cover the financial years 2020-21, 2021-22 and 2022-23.

# How your council tax will be spent on fighting crime and keeping communities safe

**Police and Crime Commissioner Marc Jones and Chief Constable Chris Haward explain**

**how the extra council tax raised this year will be invested in front line policing to keep you and your community safe.**

**This extra money will be dedicated to:**

## **Increasing visible policing**

Maximising the number of police officers recruited and increasing the number of community beat managers by 12. Further increasing visible policing and protection for our communities.

## **Identifying criminals faster**

Providing additional cutting-edge crime fighting capability by expanding the Digital Forensics Team and investing in the latest systems to identify criminals faster than ever before.

## **Tackling drug dealing and supply**

Providing resources to work in partnership to deliver the new Lincolnshire Drug Strategy – tackling drug dealing and supply whilst supporting those targeted by the illegal trade in drugs to save lives and keep our communities safe.

## **Protecting children and vulnerable adults from sexual abuse**

Boosting the Protecting Vulnerable Persons Unit to further protect the most vulnerable children and adults from sexual violence and abuse and help deliver the justice they deserve.

## **Reducing re-offending and the numbers of victims**

Investing in greater and more effective partnership working in Integrated Offender Management to reduce re-offending and reduce the numbers of victims.

**These developments could not have been contemplated without the additional money provided by our residents and their incredible support for policing.**

Thanks to public support and willingness to back our police force, we are able to raise an extra £2.4m from council tax to reinvest in protecting our communities.

The vast majority of residents will pay between just 13p and 19p extra a week – but the money will go a long way to allowing investment in a range of new initiatives designed to prevent crime, protect people and communities and identify and arrest offenders.

A robust consultation with the public was conducted at the end of 2021, receiving over 3000 completed surveys covering a range of policing, crime and council

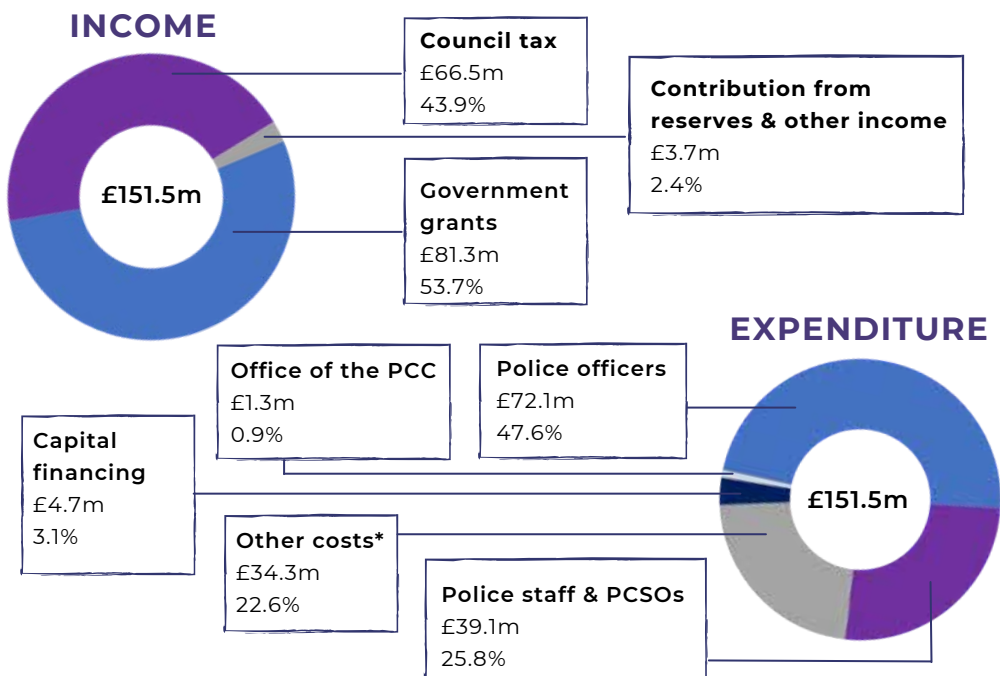

tax related questions. The full details of the survey can be found at <https://bit.ly/PCCAnnualSurvey>

The results of the consultation showed overwhelming backing from the public for increasing investment in policing.

75% of respondents said they were prepared to pay at least 5% more in council tax to support policing in their communities – higher than the proposed uplift.

Lincolnshire remains one of the lowest funded police forces in the country – spending less than almost any other area in the UK on policing – but continued support from the public through council tax and prudent investments in time saving and game changing technology and equipment have removed the immediate threats to financial sustainability.
