

Safer food better business

Low on printer ink? The Safer Food, Better Business pack comprises 92 colour pages. Take the hassle out of printing the pack and order from us...

Safer Food, Better Business (SFBB) is available in several versions to suit your business type. Please choose the correct pack from the following options and order online.

Food Safety Organiser £35.00

- Including SFBB Catering Pack (EH005)
- Including SFBB Cantonese Pack (EH006)
- Including SFBB Chinese Cuisine Pack (EH007)

SFBB Catering Pack £22.00 (EH008)

This is for businesses including restaurants, takeaways, cafes, hotels, care homes and schools. It includes a food safety management section for you to complete for your business and a diary section for your record-keeping.

SFBB Cantonese Pack £22.00 (EH009)

Written in Cantonese, designed with Chinese cuisines in mind. Set out the same as the catering pack and includes a diary section.

SFBB Chinese Cuisine Pack £22.00 (EH010)

This pack is written in English.

SFBB Childminder Pack £13.50 (EH011)

A slimmer pack specifically designed for childminders. Also includes a diary section.

SFBB Residential Care Home Supplement £7.50 (EH012)

This is intended to be used with the full catering pack but is an extra section to help you deal with specific issues that may arise in a care home.

SFBB Retail Pack £21.00 (EH013)

Designed for retailers such as small supermarkets, corner shops and newsagents selling sandwiches. The pack includes a diary refill.

We also provide:

Diary refill 12 months £13.50 (EH014)

Diary refill 6 months £11.50 (EH015)

All our prices include VAT, postage and packaging and for the catering, retail and childminder packs a ring-binder.

Main course

(keeping on track)

Food hygiene check-up £180.00 (EH002) ■

For businesses that want to grow, are looking for assurance or wish to improve their food hygiene rating. We will review your food safety management systems and measure how your business is doing against food hygiene regulations.

On-site staff workshop £128.00 (EH003) ■

A one hour workshop delivered for up to eight staff. Subjects include:

Food allergen regulations
The Food Standards Agency E. coli O157 control of cross-contamination guidance to compliance
Maintaining a documented food safety management system.

Food hygiene rating scheme rescore £216.50 (EH004) ■

Not got a 5? Every food business aspires to gain the top food hygiene rating. If you have made the necessary improvements, you can request a re-score inspection.

Side

(everything in one place)

Food safety organiser £35.00 (EH005) ■

A custom-made sectioned A4 ring-binder to keep all relevant due diligence records organised and divided into sections. Includes the SFBB catering pack (see other options for alternative SFBB packs).

Starter

(helping you get off to the best start)

New food business advice consultation £231.00 (EH001) ■

Helps you remove the guesswork from food safety. Includes an onsite visit to discuss your proposals. Saves you time by getting things right first time and saves you money thanks to advice about where your funds are best spent.
