

Customer Experience Strategy 2025 to 2029 – Action Plan

The Customer Experience Strategy is underpinned by an action plan that runs from 2025 until 2029.

The action plan currently focusses on Year 1 of the strategy (October 2025 to 31 March 2026) – which are the “Explore” activities.

The activities for 2026/27 and beyond will move from Explore to Implement, with a new action plan being devised for this period. These activities will be appropriately linked to relevant Service Plans and staff appraisals

Each action will be monitored and evaluated on an ongoing basis through the performance framework and ongoing customer consultation and engagement to ensure it meets current needs and is developed further to accommodate future requirements.

Priority 1	Our commitment to a customer first ethos
Priority 2	Access to multiple service channels
Priority 3	Accessibility and Inclusion
Priority 4	Regular staff training
Priority 5	Technology

Priority 1: Our commitment to a customer first ethos

Our commitment:

To ensure customers are advised when their enquiry is passed on to another member of the team or service area for resolution

Purpose:

We will ensure that the customer voice is central to our decision making when we look at how our services are designed in the future. We'll also share learning and best practice across the organisation.

To be transparent and keep residents informed throughout their customer journey. Being clear, respectful and responding in a timely manner.

Priority 1: Activities to be undertaken		Frequency	Deadline	Status
Outcome 1: Work with service areas to continually review the customer journey, measuring, monitoring and providing feedback regarding performance against service standards	Review service area feedback with the relevant Customer Experience Champions; focussing on the feedback provided, query resolution and any remaining actions	Monthly	31 March 2026

Monthly	31 March 2026	
	Provide relevant training as a direct result of the feedback from our customers			
Outcome 4: Embedding a learning culture about customer service across our teams	Ensure all services are aware of their responsibilities within this strategy – customer service is an ethos, a culture, not just one team	One off	30 October 2025	
	Regular review of above activity to ensure actions are being undertaken as required	Monthly	31 March 2026	

Priority 5: Technology

Our commitment:

To review the provision of technology to improve services – such as customer contact, keeping customers up to date with progress of enquiries, website information.

Purpose:

To provide user friendly technology that enhances the customer experience and improves efficiency to access services. We want to ensure our customers can easily access information and services when and how they need to via our website, online portals, telephones and offices.

Technological advancements are moving faster than ever and have a significant impact on customer expectations. There is no such thing as standing still. If we don't invest then in reality our services will be going backwards and won't be moving at the pace our customers expect. We need to fundamentally review the type and configuration of technologies used to deliver services across each channel.

Activities to be undertaken		Frequency	Deadline	Status
Outcome 1: Evaluate and consider the procurement and implementation of a new digital engagement / CRM platform	Meet with other Councils to understand what digital engagement / CRM platforms are used to understand the capabilities and benefits Outcome will determine next steps and activities for Year 2	One off	31 March 2026
